

Graduated Response Listening Event Questions And Answers 23rd May 2022

There were a number of questions that we didn't manage to get an answer for within the time available, please see below. We will endeavour to get responses for these questions and feed them back to our members. Also, if anyone has any further questions regarding the Graduated Response then please email Kayleigh@rpcf.co.uk

- Q. We know the graduated response is not just about education, what is the role of health and social care in supporting families?
- Q. How often does the graduated response get checked.
- Q. Who would schools get in contact with for the Autism Education Trust free training and train the trainers?
- Q. Is there any training on ADHD as a lot of schools struggle to know much about it.
- Q. What is monitoring and when is it taken to further level? Why aren't parents told about monitoring? What interventions are being used only when on register parents are privy to the info?
- Q. How much time do SENCo/teachers get to observe send child and complete paperwork, as SENCo teach classes as well and with classes of 30 and can be many SEN children in one class.
- Q. Could pupil premium be shared with parents?
